Core Values

Responsibility: We will always hold our students accountable, each other accountable, and hold ourselves accountable. **Resilience:** We will always encourage our students and each other to take risks and learn from our results. **Courage:** We will always believe that all our students have the ability to succeed and thrive within our community. **Respect:** We will always treat our students, parents, peers, and community with care, compassion and understanding in all of our interactions. **Care:** We will always be here for our students and for one another to ensure the emotional and physical safety of our community.

Our Vision: Van Sickle Prep will guide all our students through personal growth and academic success; to prepare them for high school and beyond while embracing their diversity and life experiences.

Mission: Van Sickle Prep will engage our students in a rigorous curriculum that builds resilience, strong character, and core academic skills that will successfully

Curriculum: This year, students will be utilizing Illustrative Math, My Perspectives {names of other curriculum} to meet their state aligned academic standards.
