

Welcome to Reading Intervention!

I am so excited to be working with your child this year! As the Reading Interventionist, my goal is to support students in building strong reading and writing skills that will help them succeed across all subjects. Together, we'll focus on strategies that make reading more engaging, meaningful, and fun.

What We're Working On:

- **Building Stamina:** Students will practice reading longer texts with focus and confidence.
- **Vocabulary Boost:** We'll learn strategies to unlock the meaning of unfamiliar words.
- **Comprehension Strategies:** From summarizing to making inferences, students will practice the tools strong readers use every day.
- **Writing to Learn:** Short responses and structured paragraphs will strengthen both reading comprehension and writing clarity.

Family Corner: How You Can Help at Home:

- **Encourage Daily Reading:** Just 20 minutes a day makes a big difference!
- **Talk About Books:** Ask your child questions like, "*What's happening so far? Who's your favorite character?*"

- **Model Reading:** Let your child see you reading—whether it's a book, news article, or recipe.
- **Word of the Week Challenge:** Post a new word on the fridge and see how many times your family can use it in conversation.

Stay Connected:

I value communication and teamwork! Please reach out anytime with questions, ideas, or updates about your child's progress.
